Valley Roofing Receives 2013 Training Excellence Award

Valley Roofing has won the **Training Excellence Award** for the year 2013.

Valley Roofing achieved this goal by having at least ten (10) of their employees attend educational seminars provided by the Center for the Advancement of Roofing Excellence (CARE), a non-profit organization sponsored by GAF. This commitment to education and training demonstrates that **Valley Roofing** is truly focused on providing great quality and service to their customers.

Valley Roofing is among the "Best of the Best." Only the top 3% of all roofing contractors even qualify to become a Master Elite™ Contractor, and **Valley Roofing** stands out in this elite group.

We at GAF are very proud to have **Valley Roofing** as a Master Elite™ Contractor, and we appreciate their commitment to their customers!
